Wisconsin Judicare Office reopens to the public on June 1, 2020

Wisconsin Judicare continues to remain open for civil legal aid services during the COVID-19 pandemic. We encourage you to apply online for services at [www.judicare.org](http://www.judicare.org) or call us M-F, 8:30am-noon and 1pm-4:30pm at (715) 842-1681 or 1-800-472-1638. Starting June 1, 2020 our reception area will reopen to the public.

**Masks:** We are practicing social distancing, the wearing of masks in our office is mandatory. Please wear your own mask or one will be provided before entry.

**Reception Area:** Due the small size of our waiting room please ring the doorbell for service, and we will allow one client or family unit inside at a time. Chairs have been placed outside the waiting room to provide more safe sitting areas.

**Identity Information:** Please be prepared to disclose your name and contact information. Our intake staff will provide the names of all office visitors to local health care departments only if a contact tracing request is made.

**Appointments:** Clients may make appointments to speak with an attorney by phone. We are willing to set in-person appointments in our offices, if needed. However, we ask that clients do not bring additional people to their in-person appointments unless necessary. Existing clients will not be seen in-person without an appointment

**Stay Home:** If you are displaying respiratory symptoms or have recently come into contact with a person with a confirmed diagnosis of COVID-19, we ask that you stay home and contact us by phone for service.

Thank you for helping keep our community healthy and safe.
